

Bob Stopani

Director + Electrical Engineer

Experience: 36 years – DSC: 22 years

- Electrical Installation Certificate 1 & 2 - City of Guilds Institute, UK
- Electrical Technicians Course - City of Guilds Institute, UK

Career Background

Bob started out as an apprentice electrician in Aberdeen, Scotland whilst studying and obtaining the required qualifications. Upon moving to London, Bob made the transition from installation to design.

After immigrating to Australia in 1996, Bob joined DSC and continued to develop his career, he was later promoted to Associate. In 2015, Bob became the Director of Electrical services, where he is responsible for the performance of the Engineers and CAD personnel within the Electrical department and for the workload planning within the office for all disciplines. With over 35 years of experience in all facets of the industry, Bob has been involved in the installation, design and documentation of various projects and a variety of sectors.
