

Jeremy Tottenham

Principal + Mechanical Engineer
Experience: 23 years – DSC: 23 years

- Bachelor of Mechanical Engineering – UTS
- Member Institute of Engineers Australia

Career Background

Upon graduation, Jeremy commenced his career in Mechanical Engineering at Donnelley Simpson Cleary. Since that time, Jeremy has gained valuable experience in design and documentation.

Jeremy continued to develop his career, later overseeing the performance of Engineers and CAD personnel within the mechanical department. In 2010, Jeremy was promoted to Associate, then, in 2020 promoted to Principal.

Jeremy has worked on a variety of projects in various sectors including aged care, commercial, residential and education – particularly universities.
